**PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
BASED ON FAILURE TO RECEIVE OFFICE ACTION**

Sir:

Applicant hereby files this petition to withdraw a holding of abandonment based on failure to receive an Office Action pursuant to 37 C.F.R. §1.181 and M.P.E.P. (Rev. 2, May 2004) §711.03(c)(I)(A).

This application was filed on June 27, 2003 by the undersigned attorney of record. Applicant received a filing receipt on September 29, 2003, and a Notice of Publication on January 12, 2004.

Appl. No. 10/608,344  
Amdt. dated 11/09/2004  
Reply to Office Action of 7/08/2004

On July 19, 2004 a Notice of Abandonment was received citing applicant's failure to timely pay the required issue fee and publication fee, if applicable, within the statutory period of three months from the mailing date of the Notice of Allowance.

The undersigned did not receive a copy of the Notice of Allowance until August 30, 2004, when it was downloaded from the Image file wrapper in response to the Notice of Abandonment.

A search of the file jacket and docket records indicates that the Office communication was not received. A copy of the undersigned's docket record indicating all Office Actions and Notice of Allowances received by the undersigned from February 24, 2004 to May 24, 2004, where the non-received Office communication would have been entered had it been received and docketed is attached to this petition as Exhibit 1. It was the undersigned's standard procedure at the time to docket both the "Action Mail Date" and the "Action Received Date" for all Office Actions and Notice of Allowances received from the United States Patent and Trademark Office. As can be seen, there were no Office Actions or Notice of Allowances received for docket number 2077/7B during the period of February 24, 2004 to May 24, 2004.

The Notice of Allowance bears a mailing date of February 24, 2004. The due date for payment of the issue fee was set three months from the mailing date at May 24, 2004. Had the Notice of Allowance been received, it would have been docketed on two different occasions. First, an issue fee reminder would have been docketed for April 24, 2004 under the "Action" column as "Rmdr Issue Fee/Drawings." It was the undersigned's standard

Appl. No. 10/608,344  
Amdt. dated 11/09/2004  
Reply to Office Action of 7/08/2004

procedure at the time to docket a one-month reminder for payment of the issue fee with "Rmdr Issue Fee/Drawings." As can be seen by the April 24, 2004 docket, attached as Exhibit 2, a reminder was not docketed on April 24, 2004 for docket number 2077/7B. Second, an issue fee due date would have been docketed for May 24, 2004 under the "Action" column as "Publication & Issue Fee/Formal Drawings." As can be seen by the May 24, 2004 docket, Exhibit 3, there is no issue fee due date docketed on May 24, 2004 for docket number 2077/7B.

I have also attached a copy of the August 27, 2004 docket as Exhibit 4. It was the undersigned's standard procedure at the time to docket the 14 month anniversary of the filing date of every patent application with the phrase "Recv'd First Office Action?". This procedure was put into place as a reminder to perform a status request on the application if an Office Action has not been received. As can be seen on the August 27, 2004 docket, the phrase "Received 1<sup>st</sup> Office Action?" appears under the "Action" column for docket number 2077/7B. If the Notice of Allowance had been received, the phrase "Received 1<sup>st</sup> Office Action?" would have been removed from the August docket.

For all of the reasons discussed above, it is clear that Applicant did not receive the Notice of Allowance mailed February 24, 2004. It is therefore respectfully requested that the Patent and Trademark Office withdraw the holding of abandonment in the present application. No fee is required with this petition pursuant to M.P.E.P. §711.03(c).
